

GM Cycle User Manual

For GM Cycle — Cabanatuan City

How to Open the System

Open Google Chrome or any browser on your phone or computer. Go to your GM Cycle website address.

Tip: You can add it to your home screen like an app:

- **On Phone:** Tap the browser menu → "Add to Home screen"
 - **On Computer:** Click the install icon in the address bar
-

The Main Screen (Dashboard)

When you open the system, you'll see the **Dashboard**. It shows you the numbers at a glance:

- How many customers have accounts
- How many are active, overdue, or fully paid
- How much money has been collected today, this week, this month
- How many accounts are past due

To add a new customer: Click the "**New Account**" button at the top right.

How to Move Around

Use the bar at the top of the screen (or at the bottom on your phone):

Button	Goes to	What you can do there
Dashboard	Main screen	See all the numbers
Accounts	Customer list	View or add customers
Payments	Payment list	See all payments
Reports	Report list	Print reports
Settings	Configuration	Change penalty/discount amounts

How to Add a New Customer and Motorcycle

1. Click "**Accounts**" on the menu bar
2. Click the "**New Account**" button
3. Fill out the form:

Customer Info (left side):

- Customer's full name
- Customer's phone number
- Customer's complete address

Motorcycle Info (left side):

- Brand (e.g., Honda, Yamaha)
- Model (e.g., XRM, Mio)
- Description (color, year, any details)

Contract Info (right side):

- **Cash Price** — the price if paid in cash
- **Installment Price** — the price under installment
- **Down Payment** — initial payment
- **Term** — how many months to pay (12, 24, 36, or 48)
- **Start Date** — when the first payment starts
- **Due Day** — what day of the month payment is due (10th, 20th, or 30th)

The system will automatically compute the **Monthly Payment** and **Remaining Balance** for you.

4. Review the numbers
 5. Click **"Create Account"**
 6. A pop-up will ask "Are you sure?" — click **"Yes, create account"**
-

How to View a Customer's Account

1. Click **"Accounts"** on the menu
2. Find the customer — you can type their name in the **search bar**
3. Click **"View"** beside their name

You will see:

- Customer info and motorcycle details
 - The payment schedule (all their due dates and amounts)
 - Their payment history
 - Any penalties or discounts
 - A **"Post Payment"** button to record a payment
-

How to Record a Payment

1. Open the customer's account (see above)
2. Click **"Post Payment"**
3. Fill out the pop-up:
 - **Amount Paid** — how much they paid
 - **Payment Date** — what date they paid
 - **Payment Type** — choose one:
 - **Regular** — paying the normal monthly amount
 - **Partial** — paying less than the monthly amount
 - **Advance** — paying ahead of the due date
 - **Full** — paying off everything
 - **Method** — Cash, GCash, or Bank
 - **Cashier** (optional) — your name

- **Notes** (optional) — any remarks

4. Click "**Post Payment**"

5. A pop-up will ask "Are you sure?" — click "**Yes, post payment**"

The system will automatically:

- Deduct the payment from the balance
 - Add a ₱200 **penalty** if the payment is 7+ days late
 - Give a ₱200 **discount** if paid before the due date
 - Update the status (Active, Overdue, Fully Paid, etc.)
-

How to Print a Receipt

1. Open the customer's account
2. Scroll down to **Payment History**
3. Click "**Print**" beside the payment you want a receipt for
4. A receipt page will open
5. Press **Ctrl + P** (or tap the printer icon) to print

To save as a PDF instead of printing:

When the print window opens, choose "**Save as PDF**" instead of a printer.

How to Check Reports

1. Click "**Reports**" on the menu
2. Click on the report you want to see:

Report	What it shows
Collection Report	All payments made
Daily Collection	Payments collected today
Monthly Collection	Payments per month
Overdue Accounts	Customers who missed payments
Penalty Report	All penalties charged
Discount Report	All discounts given
Outstanding Balances	Customers who still owe money

How to Change Settings

Only do this if you need to change the penalty or discount amounts.

1. Click **"Settings"** on the menu
2. You can change:
 - **Penalty Amount** — the fee for late payment (default: ₱200)
 - **Discount Amount** — the discount for early payment (default: ₱200)
 - **Due Day Options** — which days of the month are available (10, 20, 30)
3. Click **"Save Configuration"**
4. Confirm by clicking **"Yes, save changes"**

Quick Reference: Rules

Monthly Payment

Monthly Payment = (Installment Price – Down Payment) ÷ Number of Months

Example:

- Motorcycle installment price: ₱96,000
- Down payment: ₱10,000

- Remaining balance: ₱86,000
- Term: 24 months
- Monthly payment: $\text{₱}86,000 \div 24 = \text{₱}3,583.33$

Penalty (Late Payment)

- Payment is **7 or more days late** → **₱200 penalty**
- Payment is 1 to 6 days late → No penalty
- Payment is on time → No penalty

Discount (Early Payment)

- Payment is **before the due date** → **₱200 discount**
- Payment is on the due date → No discount, no penalty
- Payment is after the due date → No discount

Account Status

Status	Meaning
ACTIVE	Customer is paying on time
DUE TODAY	Payment is due today
OVERDUE	Payment is past due
FULLY PAID	Customer has paid everything
